

**Creative Collab**  
**The Greatest Storyteller**  
**Terms and conditions**

**Class Rehearsals**

Students must be enrolled in a Creative Collab Musical Theatre course during the April to June 2025 term where they will prepare for the production. We ask that you remain committed to your course and avoid transferring during the rehearsal process. This is not a compulsory event, and your child will still have the opportunity to explore the theme fully within class time.

**Production**

The production will take place on 14 June 2025. Exact performance/on-stage rehearsal dates and times will be allocated during May. Siblings will be cast into the same show where requested. For students enrolled in *The Greatest Storyteller*, the rehearsal will replace the regular lesson on 14 June.

**Tickets**

The production fee does not include tickets to watch the show. We will inform you via email when tickets are on sale which will be about 4 weeks before the production. Please save our email ([hello@creative-collab.io](mailto:hello@creative-collab.io)) to avoid announcements going to junk mail. All audience members will need to purchase tickets to watch the show, including infants. Students who are performing are not required to purchase a ticket.

Ticket price: HK\$350+

**Hair, make-up, and costume**

Costumes will be distributed in class before the performance.

Performers should wear white/light colour undergarments and black jazz shoes that are available for purchase at \$289 - \$299/pair at Creative Collab. We suggest performers start wearing the jazz shoes in class to practise.

Girls: Style hair away from face

Boys: Leave hair natural

## **Health and safety**

We will continue to uphold the highest levels of hygiene and safety. Students and audience members showing signs of illness will not be allowed to enter.

## **General remarks**

- Students should not bring bags or accessories to the theatre – water and snacks are provided
- The performance is approximately 75 minutes in length
- No photography or video taking is allowed during the performance. A professional video of the whole performance will be available
- No parents or caregivers are allowed in the backstage area which is fully staffed for the safety of children
- Please note that once confirmed, your child becomes an important part of the cast and we cannot give refunds of production fees for any reason
- Performance venue and dates are subject to change due to availability
